

# Stamps Account

As part of a County Extension Office there are allocated funds for stamps that are available at your disposal that should only be used for business related purposes.

You have a certain amount of 'stamps' located in the County's Account but if and when you run out, you can submit a request online at - <https://southtexas.tamu.edu/office-management/postage-request/>

Only use the online Stamps website to print postage: <https://stamps.com>
